

1. **Name** : D.Sargunamani
Designation : Scientist D
2. **Qualification** : Ph.D (Textile Technology)
3. **Address** : Regional Silk Technological Research Station (RSTRS)
CSTRI, Central Silk Board, Ministry of Textiles (MoT),
Government of India (GOI), No.272, Sirukvaripakkam,
Vellore Road, Kanchipuram – 631502, Tamil Nadu, India
Tel/Mob : 9480589557, email : sargunamani.csb@nic.in
4. **Experience** : 21 years experience in Research, Industry and Teaching of various reputed organisation/institute and subunits of CSTRI, Central Silk Board.
5. **Area of Research/:** Silk Reeling and Testing, Weaving, dyeing, TQM, Quality concepts, specialization ISO 9000/six sigma.
6. **No.of Publications:** 23 no.s in reputed National/International Journals.
7. **Important/Recent Publications:**
- ATR-FTIR spectroscopy analysis of silk materials (2019).
D.Sargunamani, K.Raghu, Subahs V Naik. Colourage, 55(1), 29-33.
 - Design and Development of Industrial washing and Hydroextractor for silk materials (2020). D.Sargunamani, K.Raghu, Subahs V Naik. Colourage, 68(6), 27-28.
 - Throughput time reduction for limited test at a silk unit (2020).
D.Sargunamani, K.Raghu, Subahs V Naik, International Journal of Engineering, Science and Technology (IJEST), 12(3), 38-42.
