# CONTENTS

<b>CHAPTER I: INTRODUCTION</b>	<b>3 - 8</b>
<b>CHAPTER II: MULBERRY SECTOR</b>	<b>11 - 39</b>
<b>A. Mulberry Seed</b>	
1. Franchise disinfection program of NSSO	13
2. Support to construct rearing houses for adopted seed rearers of NSSO	14
3. Revolving capital fund support for state grainages and RSPs	15
4. Assistance for purchasing seed testing equipment for state grainages and private RSPs	16
5. Support to strengthen basic seed farms of states	17
6. Support to upgrade state and private commercial seed production units	18
<b>B. Mulberry Cocoon: Bivoltine and Improved Cross Breed</b>	
1. Support for mulberry plantation development	20
2. Assistance for irrigation and other water conservation and usage techniques	22
3. Supply of rearing appliances (including improved mountages)/farm equipments to farmers	23
4. Supply of quality disinfecting materials and other crop protection measures for farmers	25
5. Assistance for construction of rearing houses	26
6. Assistance for maintenance of chawki gardens, construction of chawki rearing centre buildings and procurement of chawki rearing equipment	28
7. Production units for biological inputs/door-to-door service agents for disinfection and inputs supply and assistance for sericulture poly-clinics	30
8. Support for development of kisan nurseries	32
9. Maintenance cost for mulberry plantation raised during X and XI Plans	33
10. Support for construction of vermi-compost sheds	34
11. Assistance towards fencing of mulberry gardens in north-eastern states	35
12. Assistance towards expansion of rearing houses to construct mounting halls in north-eastern states	36
13. Support for increasing the yield of existing rain-fed mulberry gardens through water conservation techniques	37

## CHAPTER III: VANYA SECTOR

<b>A.</b>	<b>Vanya Seed</b>	
<b>I.</b>	<b>TASAR</b>	
1.	Assistance to private tasar graineurs	45
1 A.	Assistance to existing tasar graineurs for upgradation of seed production capacity	45
2.	Assistance for strengthening of tasar seed multiplication infrastructure (tropical tasar)	46
2 A.	Establishment of basic seed production units (SHGs, co-operatives/NGOs)	47
3.	Assistance for strengthening of tasar seed multiplication infrastructure (Tropical tasar)	49
4.	Assistance for tropical tasar rearers	50
4 A.	Assistance for oak tasar seed rearers	51
4 B.	Assistance for mobile testing facility for disease monitoring and seed cocoon testing	52
<b>II.</b>	<b>ERI</b>	
5.	Assistance to state departments for strengthening of eri farm-cum-grainages	54
5 A.	Assistance to eri private graineurs	55
5 B.	Assistance to eri adopted seed rearers	56
5 C.	Upgradation of state eri basic seed farm-cum-grainages	58
5 D.	Assistance for establishment of self help eri grainage units	59
5 E.	Mobile testing and certification units	60
<b>III.</b>	<b>MUGA</b>	
6.	Assistance to muga private graineurs	62
6 A.	Assistance to existing muga private graineurs for upgradation of seed production capacity	63
7.	Assistance to state departments for strengthening of muga seed multiplication infrastructure (P2)	64
7 A.	Assistance for establishment of muga P3 basic seed production unit	66
7 B.	Assistance to muga adopted seed rearers	67
<b>B.</b>	<b>Vanya Cocoon</b>	
<b>I.</b>	<b>TASAR</b>	
1.	Support to rearers for augmentation of tasar host plantation	68
1 A.	Assistance to beneficiaries for raising tasar food plant seedlings (Kisan Nurseries)	69
1 B.	Assistance to tasar commercial rearers for development of chawki garden	70
1 C.	Assistance to tasar rearers for maintenance of existing chawki plantation	71
1 D.	Assistance to tasar rearers for maintenance of existing tasar plantation	72
1 E.	Conservation and utilization of sal based tasar eco-races	73
2.	Assistance for raising and maintenance of systematic oak tasar plantation	75
3.	Assistance for construction of cocoon storage houses in tasar sector	76
3 A.	Assistance for construction of cocoon storage and stifling facilities for tasar rearers	77
<b>II.</b>	<b>ERI</b>	
4.	Support for castor/tapioca cultivators with start-up tools	78
5.	Augmentation of perennial eri food plants with supply of start-up tools	79
5 A.	Assistance for raising kesseru food plants nursery	80
6.	Assistance for construction of rearing houses	82

**III. MUGA**

- |      |  |    |
|------|--|----|
| 7.   | Augmentation and maintenance of muga food plants with start-up tools | 83 |
| 7 A. | Assistance for raising muga food plants nursery                      | 84 |
| 7 B. | Assistance for maintenance of existing muga food plantation          | 85 |

**CHAPTER IV: POST-COCOON SECTOR****89 - 115****A. Reeling and Spinning****I. MULBERRY**

- |    |   |    |
|----|---|----|
| 1. | Support for construction of reeling sheds                                     | 91 |
| 2. | Support for motorized charkha to dissuade child labour                        | 92 |
| 3. | Support for establishment of improved cottage basin reeling units             | 92 |
| 4. | Support for establishment of multi-end reeling units                          | 93 |
| 5. | Support for establishment of automatic reeling units                          | 94 |
| 6. | Support for establishment of automatic dupion reeling units (142 ends)        | 95 |
| 7. | Assistance for twisting units (480 ends)                                      | 96 |
| 8. | Interest subsidy on working capital loan sanctioned by banks to reeling units | 96 |
| 9. | Incentive for production of bivoltine silk                                    | 98 |

**II. VANYA**

- |       |   |     |
|-------|---|-----|
| 10.   | Support for <i>Vanya</i> reeling/spinning sector    | 99  |
| 10 A. | Reeling-cum-twisting machines                       | 99  |
| 10 B. | Wet reeling machine (2 basins of 6 ends each)       | 100 |
| 10 C. | Two-in-one reeling-cum-twisting machine             | 100 |
| 10 D. | Tasar cocoon sorting machine for co-operatives/SHGs | 101 |
| 10 E. | Motorised/pedal operated spinning machine           | 101 |
| 10 F. | Solar operated spinning machine                     | 101 |

**III. GENERAL**

- |     |  |     |
|-----|--|-----|
| 11. | Providing services of master reelers/technicians | 102 |
|-----|--|-----|

**B. Post-yarn**

- |       |  |     |
|-------|--|-----|
| 12.   | Support for handloom sector  | 103 |
| 12 A. | Loom upgradation through jacquards and other equipments developed by CSTRI   | 103 |
| 12 B. | Pneumatic lifting mechanism for handlooms developed by CSTRI   | 103 |
| 13.   | Support for setting up of common facility centre for yarn dyeing and fabric processing (special technology package developed by CSTRI) | 104 |
| 14.   | Providing services of master weavers/ designers/ dyers/ technicians  | 106 |

**C. Marketing**

- |     |  |     |
|-----|--|-----|
| 15. | Support to states for creating/upgrading marketing infrastructure for cocoon and raw silk. | 106 |
| 16. | Support for setting up of hot air driers   | 108 |
| 17. | <i>Vanya</i> silk market promotion (100% meant for <i>Vanya</i> sector)                    | 109 |

<b>CHAPTER V: SUPPORT SERVICE SECTOR</b>	<b>119 - 144</b>
1. Crop insurance support (for all sectors )	119
2. Publicity for sericulture sector	122
3. Support for studies/consultancies/surveys organised by CSB and states	124
4. Product design, development & diversification	126
5. Health insurance program for sericulture farmers and workers	128
6. Capacity building for sericulture sector	131
7. Developing community based organizations in line with resham doot concept	136
8. Support for convergence activities for sericulture development	141
<b>SPECIAL INITIATIVES (FLEXI FUND)</b>	<b>142</b>
<b>CHAPTER VI: IMPLEMENTAION GUIDELINES</b>	<b>147 - 157</b>
<b>ANNEXURES</b>	<b>161 - 192</b>
1. Physical and financial targets	161
2. Physical and financial targets with sharing pattern	171
3. Physical targets, CSB share and zone-wise unit cost	182
4. Abbreviations	191
