

Photo

1. **Name** : K.RAGHU
Designation : Scientist D
2. **Qualification** : M.Tech (Textile Technology)
M.Phil (Polymer Science)
3. **Address** : Regional Silk Technological Research Station (RSTRS)
CSTRI, Central Silk Board, Ministry of Textiles (MoT),
Government of India (GOI), No.272, Sirukvaripakkam,
Vellore Road, Kanchipuram – 631502, Tamil Nadu, India
Tel : 044-27277583, email : raghucsb@yahoo.com
4. **Experience** : 33 years experience in Post Cocoon Technology of various subunits of CSTRI, Central Silk Board.
5. **Area of Research**: Silk Reeling and Testing, Weaving and dyeing.
6. **No.of Publications**: 10 no.s in reputed National/International Journals.
7. **Important/Recent Publications**:
- ATR-FTIR spectroscopy analysis of silk materials (2019).
D.Sargunamani, K.Raghu, Subahs V Naik. Colourage, 55(1), 29-33.
 - Design and Development of Industrial washing and Hydroextractor for silk materials (2020). D.Sargunamani, K.Raghu, Subahs V Naik. Colourage, 68(6), 27-28.
 - Throughput time reduction for limited test at a silk unit (2020).
D.Sargunamani, K.Raghu, Subahs V Naik, International Journal of Engineering, Science and Technology (IJEST), 12(3), 38-42.
